It likely will be Friday before we can start analyzing public comments, and I'd appreciate a chance to go over my initial list of what to sort for - which I'm told is too complicated - against what you really need. My initial list is below.

DRAFT CODES FOR SORTING PUBLIC COMMENTS

Information we want to capture from substantive comments (not in priority order):

name of monument, or multiple/all, then if there is information on -

public access

cultural, particularly Tribal, or historic sites not currently included in a monument

cultural, particularly Tribal, or historic sites not adequately protected by Proclamation or regulations

recreational use – hunting, fishing, hiking
